

WORLD WAR II VETERANS

HEADQUARTERS COMPANY 1142D ENGINEER COMBAT GROUP

July 18 2007

Dear Friends,

Eight members of the 1142d Engineer Combat Group met at the K&W cafeteria in Burlington, NC on Saturday, June 23, 2007. Counting guests, there were 18 people present to enjoy a period of fun, fellowship and food. Again, Ben Pugh volunteered to pay for the meal and room.

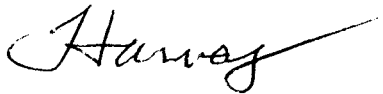

We were sorry that several of our group were not able to attend this year. Beryl Brady had had eye surgery and Colvin Boone and Marvin Clingman had health problems. Edith Simpson had expressed a desire to attend but had a last minute conflict. Also missing from last years group were the Pace family who had conflits. After locating Nick Drahos, we had hoped that he would be able to attend but he said that it was just too far. We were glad to see once again Bob and Pat Hollingsworth and Bob's sister Tee Navidad. Also attending was Milton Wicker, son of Marie and Bernard Wicker. Also present were Jack and Lalah Frank who missed last years meeting.

After the meal and story telling we had the usual photography session. Copies of these photographs are enclosed.

I would like to thank those who helped make this meeting a sucess: Ben Pugh for again hosting the event, Bob Hollingsworth for the veteran's pins, Gene Pickard for the invocation prayer, Marie Wicker for helping with name tags and Edith Horne for the decorations.

The meeting broke up about 2:00 PM.

Sincerely,

Harvey Horne
